FACTS WHAT DOES SOFI DO WITH YOUR PERSONAL INFORMATION

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product(s) or service(s) you have with us. This information can include: • Social Security number and employment information • Credit scores and income • Payment history and credit history • Transaction history, assets, and account balances When you are <i>no longer</i> our customer, we continue to share your information as described in this notice.
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons SoFi chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information	Does SoFi share?	Can you limit this sharing?

What We Do		
How does SoFi protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.	
How does SoFi collect my personal information?	 We collect your personal information, for example, when you provide account information or give us your contact information provide employment information or apply for a loan use your credit or debit card We also collect your personal information from others, such as credit bureaus, affiliates, or other companies. 	
Why can't I limit all sharing?	 Sharing for affiliates' everyday business purposes — information about your creditworthiness affiliates from using your information to market to you sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.	
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply individually unless you tell us otherwise.	

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • Our affiliates include companies with a SoFi name, and financial companies such as SoFi Securities, LLC; SoFi Lending Corp.; SoFi Bank, N.A.; and Golden Pacific Bank, a Division of SoFi Bank, N.A.
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • Non-affiliates we share with include service providers, cobranded partners, financial service companies, data processors, and advertisers.
Joint marketing	A formal agreement between non-affiliated financial companies that together market financial products or services to you. • Our joint marketing partners include insurance companies and other financial companies.
